

The 15-Point Hostel Inspection Checklist

Carry this on every hostel visit — including ours. Tick each point only after seeing it yourself, during a working day.

Study & supervision

- | | |
|--------------------------|---|
| ☐ | 1. Evening study is supervised by subject teachers who answer doubts — not only by wardens keeping silence. Ask to stand in the study hall during study hours. |
| ☐ | 2. There is a named daily doubt-clearing hour ; "anytime" is not a schedule. |
| ☐ | 3. The weekly test calendar is displayed and matches what students tell you. |
| ☐ | 4. Morning study exists on a fixed schedule, not on motivation. |

Safety & living

- | | |
|--------------------------|--|
| ☐ | 5. Resident wardens live on-site; note the warden-to-student ratio . |
| ☐ | 6. Entry/exit register and visitor verification are actually in use — watch the gate for five minutes. |
| ☐ | 7. Corridor CCTV works; ask who monitors it and when. |
| ☐ | 8. Dorms and bathrooms are clean unannounced , not on a tour route. |
| ☐ | 9. For daughters: separate secured accommodation, women wardens, and a named person a girl approaches with a problem at 10 PM. |

Food & health

- | | |
|--------------------------|--|
| ☐ | 10. Eat the actual mess meal students eat today — not a sample plate. |
| ☐ | 11. The weekly menu is displayed in advance and matches reality; ask students. |
| ☐ | 12. Medical protocol is specific: on-campus first aid, which hospital is tied up, who accompanies the child, and how fast parents are informed. |

Communication & money

- | | |
|--------------------------|---|
| ☐ | 13. Scheduled parent-call system: which days, what time , and an emergency line through the warden at any hour. Test it: call the hostel office at 7 PM. |
| ☐ | 14. Planned visit days exist, and working-hours visits are accommodated through the warden's office. |
| ☐ | 15. The hostel fee is itemised separately on a written sheet — boarding, food, extras — and you asked: "What did last year's parents pay beyond this sheet?" |

How to score it

12 or more confident ticks: a serious hostel. 8–11: ask harder questions before deciding. Below 8: keep looking.

Graviity Cloud publishes this checklist because we welcome the inspection — book a working-day visit on WhatsApp **+91 70323 31114** and bring this sheet.
